Benefit Eligibility

ELIGIBILITY

Your benefit plans have been designed to provide you with a package that is both comprehensive and responsive to the needs of all our employees. This booklet is designed to help you navigate your benefits choices.

Benefit Eligible Employees

If you are a benefit eligible employee, you are eligible to enroll in Sedgwick County's benefits if you work at least 30 hours per week.

When coverage begins

You must enroll in benefits within 30 days of your date of hire. Your coverage is effective the first of the month following your enrollment.

When coverage ends

If your employment with Sedgwick County terminates (voluntarily or otherwise), your benefits will end the last day of the month that you separate.

Covering your family members

Many of the plans offer coverage for your eligible family members, including:

Your legal spouse by marriage contract, your dependent children, including your step-children from present marriage, legally-adopted children, legal guardianship by court decree.

Dependent children are eligible for medical, dental, and vision insurance through the end of the month in which they turn age 26 (regardless of student or marital status). Married dependent children are not eligible to be covered under dependent life insurance.

Unmarried dependent children of any age may remain eligible if they are physically or mentally incapable of self-support. Dependent children over the age of 26 who are mentally or physically disabled may continue to be covered under insurance plans if they meet the following criteria:

- The disability existed before the age of 26
- The child is incapable of self-support due to the disability.
- The child relies on the policyholder for care and support.

Contact benefits@sedgwick.gov for Disabled Dependent Applications which must be received by the insurance companies **before** your dependents 26th birthday.

No individual can be insured as both an employee and as a dependent under the Medical, Dental, and/or Vision plan through Sedgwick County.

Dependent verification is required for all dependents added to health plans (medical, dental, and/or vision). Please see policy 4.800 for acceptable documentation to verify your dependent(s) and deadlines for submitting the required documentation.

Benefit Enrollment

New employees-Initial Enrollment

Location: E-line, ESS, Benefits, Benefit Enrollment, Benefits Enrollment, Initial Enrollment

As a new employee, you must enroll in benefits through **E-line** within 30 days of your date of hire. If you do not enroll within 30 days, you will need to wait until the next open enrollment period to enroll. Coverage will begin the first of the month following the enrollment.

Current employees-Open Enrollment

Location: E-line, ESS, Benefits, Benefit Enrollment, Benefits Enrollment, Open Enrollment

Open enrollment is the only time during the year that you can change your benefits unless you experience a qualifying life event. During the open enrollment period, you have the opportunity to newly enroll in coverage or make changes to your current coverage. Open enrollment occurs every year in the Fall and coverage begins on January 1st.

Anytime Changes

Location: E-line, ESS, Benefits, Benefit Enrollment, Benefits Enrollment, Anytime Changes

Anytime changes allow changes to Health Savings Account (HSA) contributions and Advance Life and AD&D beneficiaries.

Changing Your Benefits During the Year

As stated above, you cannot change your benefits during the year unless you experience a qualifying life event. The most common qualifying life events are:

- Marriage, legal separation, or divorce.
- Birth of a child (including adoption).
- Loss of other coverage (e.g., child turns 26 and loses coverage through parent's plan).

There are other, less common, life events that allow you to change your benefits. Please contact Human Resources for a complete list of qualifying life events.

If you experience a qualifying life event and wish to change your benefits, you must notify benefits@sedgwick.gov within 31 days of the life event. You will be required to provide proof of your life event, such as a hospital birth confirmation or marriage license. You can only change benefits that were impacted by the life event (e.g., if you get married, you can add your new spouse to the medical plan, but you cannot change medical plans).

Dependent Verification Process

Documentation will be required to verify that the dependent(s) you are enrolling are eligible. Please see policy 4.800 for a list of eligible dependents and acceptable documentation necessary for verification along with deadline to submit the required documentation to benefits@Sedgwick.gov.

Online Enrollment

From a Sedgwick County computer, open Google Chrome, go to E-line, Employee Self Service (ESS), Benefits, Benefit Enrollment, Benefits Enrollment, Initial Enrollment.

Be sure to print off your confirmation statement. **Changes CANNOT** be made after Initial Enrollment unless you have a qualified life event and must be made within 31 days.

Remote Access

If you want to access ESS from a non-County computer, your department must submit a system admin. request (SAR). Help desk will then contact you with instructions.

Dependent Verification

Dependent verification is required for all dependents added to health plans (medical, dental, and/or vision). Even though you will be able to complete enrollment, you'll still have to complete the dependent verification process as outlined in policy 4.800 Benefits Offered by Sedgwick County. Any unverified dependents will be removed from your plan in accordance with policy 4.800.

Medical Insurance/Prescription Coverage- UnitedHealthcare (UHC)

www.myuhc.com or 888-364-5089

Group # 902769

Summary of Benefits and Coverage:

<https://eline.Sedgwick.gov/humanresources/benefit/benefits/forms/allitems.aspx>

Sedgwick County offers three medical insurance plans through UnitedHealthcare (UHC). Please take the time to understand the features and differences of each plan so that you choose the coverage that is best for you and your family. Sedgwick County's medical plans are self-insured which means claims are paid from your paycheck deductions and the Sedgwick County's contribution to your medical plan.

Optum RX, a subsidiary of UHC, is the administrator for the prescription plans. The prescription drug benefit utilizes the Optum RX formulary, a list of pharmaceutical drugs that are safe, medically effective, and cost effective. Please go to www.myuhc.com to find a pharmacy and prescription drug listing.

Some medications may require prior authorization or step therapy. Step therapy helps you use less expensive, but equally effective medication for certain therapeutic conditions. Most therapeutic classes have multiple medication options. You are required to initially try a Step One prescription before a Step Two prescription will be covered. If you and your provider determine the treatment is ineffective, you may request a coverage review by UHC.

All three medical plans include In- and Out-of-Network benefits, which means you can choose any provider that you would like. However, you will pay less out of your pocket when you choose a UnitedHealthcare network provider. Locate a UnitedHealthcare network provider at www.myuhc.com.

The table on the following page summarizes the key features of the medical plans. Please refer to the official plan documents for additional information on coverage and exclusions.

Medical Definitions

Premium:

The amount you pay out of your paycheck to be covered by the plan.

Deductible:

- The annual deductible is the amount of eligible expenses, or the recognized amount when applicable, you must pay each calendar year for covered health services before you are eligible to begin receiving benefits. There are separate In-Network and Out-of-Network annual deductibles for these plans.
- Embedded deductible: If your spouse and/or children are covered by the plan, the individual deductible applies to each covered family member (capped at family amount).

Out-of-Pocket maximum:

The most you will be required to pay out of your pocket for covered health care services in any one calendar year. The Out-of-Pocket maximum does not include premium payments taken from your paycheck. Plan deductibles and Out-of-Pocket maximums reset on January 1 each year.

Co-pay (PPO plans):

Co-pay is a flat dollar amount and is paid at the time of service or when billed by the provider. Co-pays count toward the Out-of-Pocket maximum. Co-pays do not count toward the annual deductible.

Co-insurance:

A set percentage of the total cost for a covered health care service that you pay after you have paid your deductible. For example, after your deductible is paid, PPO members pay 20% of covered services and the plan pays the remaining 80%.

In-Network providers:

In-Network providers have contracted with UnitedHealthcare and have agreed to provide a discount to UnitedHealthcare plan members. You will pay less out of your pocket when you choose a UnitedHealthcare network provider.

Out-of-Network providers:

Out-of-Network providers, facilities, and pharmacies can charge you the full price for services, which is typically much higher than the In-Network discounted rate. You will pay more out of your pocket when you choose an Out-of-Network provider.

Preventive care:

Health care services that help keep you healthy by preventing diseases and other health conditions. The UnitedHealthcare medical plans pay 100% of the cost of preventive care when it is provided by a UnitedHealthcare provider. Some preventive care services that may be covered include: exams, screenings, and vaccinations. Please be aware that you may be billed for non-preventive care services that you receive at a preventive care exam. Learn more about preventive care at www.myuhc.com.

Seeking care at an appropriate place of treatment can help you save money and time. Use the chart to help guide you to the most time and cost-effective place of treatment.

Virtual Care – Minor Medical Conditions

Access virtual care to treat minor medical conditions. Connect with a board-certified doctor via video or phone when, where and how it works best for you. Visit myuhc.com/virtualvisits or call 1-855-615-8335.

Flexible Spending Account (FSA)-Surency

www.surency.com or 866-818-8805

Sedgwick County offers two flexible spending account (FSA) options through Surency. The money that you put into an FSA is collected from your paycheck before taxes are withheld, which means you don't pay taxes on those dollars. FSAs are an annual contribution amount that cannot be changed. Contributions are prorated (i.e. annual contribution amount is divided by remaining deductions for that year). **You must re-enroll in FSA every open enrollment; it does not renew automatically. A few very important rules apply to FSAs. Please read this page carefully before you make your FSA elections!**

- Incur expenses through March 15, 2027.
- File claims or submit receipts by May 14, 2027.
- Any funds left in the account as of May 15, 2027 are forfeited.
- You are required to submit itemized receipts to substantiate your qualified expenses to Surency regardless if using the debit card or submitting reimbursement. If you do not supply substantiation, you will be required to reimburse the plan or be subject to taxation per IRS regulations.
- If you receive employer contributions, they are subject to the same substantiation and taxation as employee contributions (see previous bullet).
- A full list of eligible expenses is available at www.irs.gov/publications/p502.

Health Care FSA

- You can contribute to the Health Care FSA if you are:
 - enrolled in Sedgwick County's Base Plan or Premier Plan (both are PPO plans) OR
 - not enrolled on the County's medical insurance AND not covered under another High Deductible Health Plan.

- You may contribute \$50 - \$3,400 (**subject to the 2026 IRS announcement**) to your health care FSA for the 2026 calendar year. The entire amount you elect is available to you on January 1 or your benefits effective date.
- You can also make FSA purchases at the FSASore at www.fsastore.com.

Dependent Day Care FSA

Health Savings Account (HSA)-Optum Bank

www.optumbank.com or 800-791-9361

Group #902769

A health savings account (HSA) is a bank account that allows you to save, spend, and invest your money on a pre-tax basis. You must enroll in the UnitedHealthcare High Deductible Health Plan (HDHP) in order to contribute to an HSA. HSA contributions can be changed anytime throughout the year by going to E-line, ESS, Benefits, Benefit Enrollment, Benefits Enrollment, Anytime Changes. You can use your HSA for qualifying medical, dental, and vision expenses.

You don't pay taxes on the money you contribute to your HSA from your paycheck.

Use the HSA contribution calculator at www.optumbank.com and check out the Optum Store for additional information and HSA eligible products.

- If you enroll in the UnitedHealthcare High Deductible Health Plan (HDHP), you agree to have a Health Savings Account (HSA) established in your name with Optum Bank regardless if you make a contribution to the account or not at the time of enrollment. If you decide not to make a contribution, you must enroll with a \$0.00 contribution.
- A \$2.00 monthly fee will be deducted from your balance.
- When you set up an HSA, it is important you select a beneficiary. This will ensure that your HSA money is immediately available to your beneficiary upon your death. If you don't select a beneficiary, the money will go to your estate and may be subject to taxation.
- You do not have to send in receipts to Optum Bank to verify eligible expenses. If you are audited by the IRS, you'll need to provide documentation showing you have had eligible health care expenses to cover any withdrawal from your HSA. Keep all health care receipts.

Contribute up to the IRS limits

Contributions to an HSA, including your exam attestation incentive and/or your sold vacation to your HSA, cannot exceed the annual IRS contribution limits. IRS rules state that contribution limits must be prorated by the number of months you are eligible to contribute to an HSA. If you don't have an HDHP/HSA for a full year, use the chart to determine your prorated contribution limit for the time you had an HDHP/HSA. Calculate how many months you'll have a HDHP/HSA for the plan year and find that number in the number of months column; that is how much you can contribute without getting a possible IRS tax penalty. For more information on prorated contribution limits, go to E-line, Human Resources, Benefits, Benefit Documents, HSA Prorated Contribution.

The 2026 IRS maximum contributions are:

Single coverage: \$4,400.

Two person/Family: \$8,750.

Employees age 55+ by December 31 may contribute an additional \$1,000 catch-up contribution to their HSA.

Number of Months	Single	Family	Catch-Up (Age 55+ only)

Summary of Benefits and Coverage:

<https://eline.Sedgwick.gov/humanresources/benefit/benefits/forms/allitems.aspx>

There are no deductibles under the Delta Dental Plan for any eligible expenses. You can choose any dentist that you would like, however you will pay less out of your pocket when you choose an In-Network dentist. Locate a Delta Dental In-Network dentist at www.deltadentalks.com.

The table below summarizes the key features of the dental plans. The co-insurance amounts listed reflect the amount you pay for services. Please refer to the official plan document for additional information on coverage and exclusions.

	In-Network
Annual Benefit Maximum (per covered individual)	\$1,000
Diagnostic/Preventive Services (will not count towards the \$1,000 annual maximum) (i.e. cleanings, sealants)	100%
Basic Services (i.e. fillings, root canals)	80%*
Major Services (i.e. bridges, crowns)	50%
Orthodontics (\$1,500 lifetime maximum per covered individual)	50%

Two cleanings are covered each year per covered individual and there is no requirement to wait exactly six months between visits.

***If you do not have at least one cleaning in the past 12 months, basic services reduce to 50 percent.**

Advance Life, Accidental Death and Dismemberment (AD&D), and Dependent Life Insurance

Advance Life and Accidental Death and Dismemberment (AD&D) insurance provides financial protection for those who depend on you for financial support. Upon your death, your designated beneficiary(ies) will receive the life benefit. If you die as the result of an accident, your beneficiary(ies) will receive both the Life and AD&D benefits.

Sedgwick County provides you with \$50,000 Life and AD&D at no cost to you.

You can purchase optional voluntary Life and AD&D. Deductions will come out of the first two paychecks of each month. ***The amounts below include the \$50,000 provided by Sedgwick County.**

Advance Life and AD&D	
\$75,000	\$2.25
\$100,000	\$4.50
\$125,000	\$6.75
\$150,000	\$9.00

Dependent Life: Dependent life insurance is for a legal spouse and/or unmarried children under the age of 26. Dependent life insurance coverage ends when the employee reaches age 75. Deductions will come out of the first two paychecks of each month.

Dependent Life	
\$5,000 Spouse and Child(ren)	\$0.82
\$10,000 Spouse only	\$0.65
\$10,000 Child(ren) only	\$1.00
\$10,000 Spouse and Child(ren)	\$1.65

Rates are subject to change due to Advance underwriting.

**Federal laws state that life insurance amounts in excess of \$50,000 are taxable and is added to your W-2. These amounts are called imputed income.*

Keeping your beneficiary designations up to date is vital for ensuring your life insurance benefits go the right people. Naming a minor child as a beneficiary can slow down payments because a court will need to appoint a guardian to manage the funds.

Reviewing your beneficiary designations during open enrollment every year will help keep them accurate.

CANCER INSURANCE

Provider: MetLife

Most of us are not financially prepared for a medical crisis caused by a cancer diagnosis within our family. Out of pocket expenses can deplete our savings, home equity and retirement funds. Major medical insurance does not cover many non-medical expenses.

No one wants to experience a cancer diagnosis, but the fact is that the risk of getting cancer is great. In the United States, men have slightly less than a one in two lifetime risk of developing cancer; for women, the risk is a little more than one in three (Cancer Facts and Figures 2012, American Cancer Society). Your plan pays a lump-sum Initial Benefit upon the first verified diagnosis of a covered cancer. Your plan also pays a lump-sum Recurrence Benefit for a subsequent verified diagnosis of the same cancer as shown in the table below. A Recurrence Benefit is only available if an Initial Benefit has been paid for the same cancer.

	Benefit Amount	Initial Benefit	Recurrence Benefit
Employee	\$15,000 - \$30,000	Invasive Cancer: 100% of benefit amount Non-Invasive Cancer: 25% of Benefit Amount Skin Cancer: 5% of benefit amount	Invasive Cancer: 100% of initial benefit amount Non-Invasive Cancer: 100% of initial benefit amount Skin Cancer: None

Sedgwick County provides a 457 plan to benefit eligible employees who may contribute portions of their salary into the plan. Employees can choose to make contributions on either a pre-tax or an post-tax basis. If they choose the latter, the account compounds tax-free, essentially the same as a Roth IRA. If they opt for the pre-tax contributions, the plan money is not taxed until the employee withdraws the money.

Your Retirement Plan Advisor is available to provide you one-on-one counseling with personalized account services at no cost to you, such as:

- Enrollment
- Contributions
- Retirement readiness
- Investment choices
- Account review
- Comparison of retirement plans
- Rollovers - Consider all your options and their features and fees before moving money between accounts.
