On the recommendation of Joe Thomas, on behalf of Fleet Management and Sheriff's Office, Jennifer Blasi moved to **accept the low bid meeting specifications from Superior Chevrolet Automotive Company dba Hendrick Chevrolet Shawnee Mission in the amount of \$50,758.50.** Kenly Zehring seconded the motion. The motion passed 3 to 1 with Tim Myers abstaining.

This van is used by the Sheriff's Office to transport inmates from various incarceration facilities around the state.

Nashville Automotive LLC dba Serra Chevrolet Buick GMC was the low bid but didn't meet the specification on the engine. We specified a V8 and they bid a V6.

Questions and Answers

Tania Cole: Is this on our 2026 acquisition list?

Beau Bergeron: Yes.

Tania Cole: Help me understand just a V8 and a V6.

Beau Bergeron: So this is a one (1) ton van that holds 15 people. That's a lot of weight. The V6 has less power so the more weight you have, the more fuel it's going to use. The other vans just like this we have in service are just like this. They are all the same. They are all V8s.
