I. About this Document

This document is a Request for Proposal. This Request for Proposal is a cooperative, joint solicitation by Sedgwick County and the City of Wichita, facilitated by Sedgwick County. It differs from a Request for Bid or Quotation in that County and City are seeking a solution, as described on the cover page and in the following Background Information section, not a bid or quotation meeting firm specifications for the lowest price. As such, the lowest price proposed will not guarantee an award recommendation. As defined in the County's Charter Resolution No. 68, Competitive Sealed Proposals will be evaluated based upon criteria formulated around the most important features of the product(s) and/or service(s), of which quality, testing, references, service, availability, or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. Such Competitive Sealed Proposals shall be evaluated in conformity with the County's Charter Resolution 68 and the City's City Code 2.64. The proposal evaluation criteria should be viewed as standards that measure how well a vendor's approach meets the desired requirements and needs of the County and City. Criteria that will be used and considered in the evaluation for the award are set forth in this document. County and City will thoroughly review all proposals received. County and City will also utilize its best judgment when determining whether to schedule a pre-proposal conference, before proposals are accepted, or meetings with vendors, after receipt of all proposals.

A single co-authored contract or agreement (hereinafter referred to as contract) or separate but congruent contracts will be awarded by County and City to a qualified vendor(s) submitting the best proposal(s). One or multiple awards may be issued pursuant to this RFP. No binding contracts shall be made without both County and City executing a single co-authored contract, or such separate but congruent contracts. The term "Contractor", as used in this RFP, means a successful Proposer to whom City and County awarded the contract and who executed such single co-authored contract or separate but congruent contract with City and County. **Sedgwick County and the City of Wichita, in their sole discretion reserve the right to select, and subsequently recommend for award, the proposed service(s) and/or product(s) which best meets the joint required needs, quality levels and budget constraints of both City and County. The amount totals and percentages allocated to each award may be subject to adjustment depending on the money available, number of applications, and overall quality of applications. Any such adjustments shall be subject to determination by mutual agreement of the County and City Purchasing Departments.**

The nature of this work is for a public entity and will require the expenditure of public funds and/or use of public facilities, therefore the successful proposer will understand that portions (potentially all) of their proposal may become public record at any time after receipt of proposals. All proposals shall be subject to discussion by the Wichita-Sedgwick County Addiction Intervention Coalition ("Coalition") in an open meeting and therefore shall be subject to public disclosure. Executed purchase orders and final contracts are subject to public disclosure after the issuance of the award. **All confidential or proprietary information should be clearly denoted in proposal responses and responders should understand this information will be considered prior to release, however no guarantee is made that information will be withheld from public view.**

II. Background

Sedgwick County, located in south-central Kansas, is one of the most populous of Kansas' 105 counties with a population estimated at more than 523,000 people. There are 19 cities in Sedgwick County. It is the 16th largest in area, with 1,008 square miles, and reportedly has the second highest per capita wealth among Kansas' counties. Organizationally, the County is a Commission/Manager entity, employs nearly 3,000 persons, and hosts or provides a full range of municipal services, e.g., public safety, public works, criminal justice, recreation, entertainment, cultural, public health services, human/social services, and education.

The City of Wichita is the largest city in Kansas with a population of approximately 397,000 and is the seat of Sedgwick County. As of May 2024, the City's total land area was approximately 167 square miles. Major highways, including the Kansas Turnpike (I-35), Interstate 135 and U.S. 54 (Kellogg Avenue) link the City with a large trade area that encompasses a population of more than 1.1 million people within a 100-mile radius. The City of Wichita employs approximately 3,100 employees providing a full range of municipal services, including police and fire protection, parks and recreation programs, libraries, public housing, municipal transportation, airports, water and sewer utilities, general administration, and other services. Information regarding the City of Wichita can be found at wichita.gov. The legislative body of the City consists of a six-member City Council, elected by district, and a full-time Mayor elected from the City-at-large. The Council members and the Mayor serve four-year terms overlapping. The Council and Mayor establish general policies, which are executed by the City Manager.

Sedgwick County and the City of Wichita have taken sustained action to address the opioid crisis in the community. In 2017 and 2019, County and City filed legal actions against major pharmaceutical companies for their role in the crisis, seeking funds to support addiction services and recovery, and both later joined a statewide lawsuit led by the Kansas Attorney General. Kansas has since reached several settlements with pharmaceutical companies that will provide the state more than \$340 million through 2038 to fight addiction. To manage these funds, the Kansas Legislature passed the Kansas Fights Addiction Act, which directs 75 percent of the money to a state fund for addiction treatment and prevention and shares the remaining 25 percent with cities and counties, including Sedgwick County and Wichita. In 2023, County and City engaged Steadman Group, LLC to help develop a plan for using these funds effectively, working with local experts such as healthcare providers, first responders, and educators to identify ways to prevent, reduce, treat, or mitigate substance use and support recovery. To keep the process transparent and community-focused, County and City formed the Wichita-Sedgwick County Addiction Intervention Coalition, an advisory board that recommends how to spend the settlement funds based on the adopted plan. To learn more, read the [WSAIC Needs Assessment and Strategic Plan](#). There are four (4) separate RFPs being released under the OUD Program. Proposers should carefully review each RFP to ensure they are responding to the appropriate program priority area. Organizations interested in applying under multiple priority areas must submit a separate application for each RFP.

This RFP requires each applicant to complete and submit the Response Form for this program priority area. The Response Form collects the information reviewers use to score your proposal, so please answer every question that applies to your project.

The fillable Response Form is posted with this RFP as a separate PDF file. Download it here:

<https://sedgwickcounty.org/media/73830/26-0083-response-form-expansion-of-treatment-capacity.pdf>.

Complete the form on a computer, save it, and submit it as described below.

The Budget Workbook is also posted with this solicitation as a separate file. You must complete it and submit it with your Response Form. Download it here: <https://sedgwickcounty.org/media/73831/26-0083-budget-workbook-expansion-of-treatment-capacity.xlsx>.

How to Complete and Submit This Form

1. **Open it the right way.** Save the form to your computer first. Then open it in a free PDF reader such as Adobe Acrobat Reader, or in a web browser like Microsoft Edge or Google Chrome. Do not fill it out in a small preview window, because your entries may not save.

2. **Fill in the fields.** Click any box to type. Click a checkbox to select it, and click again to clear it. Use your mouse or the Tab key to move from one field to the next.
3. **Watch the word counts, but do not worry about them.** Notes like “about 500 words” are guides, not hard limits. Each answer box is sized to hold its suggested length. If you type more than fits, the text shrinks so nothing is cut off, including on a printout. Staying close to the suggested length keeps your answer easy to read.
4. **Save as you go.** Save your work often, and save a final copy before you submit. Name the file with your organization and the strategy, for example, OrgName_ExpandingTreatment.pdf.
5. **Sign the form.** Type your name, title, and date in the signature section. [If a handwritten signature is required, print the signature page, sign it, and include it with your submission.]
6. **Attach the required documents.** The Sign and Attach section lists what to include: your IRS determination letter or government-entity documentation, a W-9, your most recent audit or financial statement, the detailed line-item budget (Budget Form), a signed Privilege Log, and any letters of commitment or MOUs you have.
7. **Apply once per strategy.** If you are applying for more than one funding strategy, complete and submit a separate Response Form for each one.
8. **Submit by the deadline.** Submit your completed response form and all required attachments before 1:45 p.m. CST/CDT on September 15, 2026. Late or incomplete submissions will not be considered.
9. **Ask questions early.** Direct all questions to Joseph Thomas at joseph.thomas@sedgwick.gov. Do not contact other County or City staff, Coalition members, or elected officials about this RFP.

VIII. Reporting Requirements

Contractor will report on performance outcomes quarterly. Once awarded, guidance on report templates, deadlines, and submission procedures will be provided to awardees.

Each Contractor is responsible for building a tracking and reporting system that produces accurate, complete data. A Contractor's ability to track and report grant data with minimal ongoing support is vital to this program and will factor into funding decisions.

All award recipients must be willing to participate in additional outcome studies or data collection specific to the populations served by these funds, as directed by Rulo Strategies on behalf of Sedgwick County and the City of Wichita, Kansas.

10. Termination.

A. Termination for Cause. If, for any cause, Contractor shall fail to fulfill its obligations under this Agreement in a timely and proper manner as required by this Agreement, or if Contractor shall violate any of the covenants, agreements, or stipulations of this Agreement, City and County shall each independently thereupon have the right to terminate their obligations under this Agreement, or may together terminate the Agreement entirely, by giving written notice to Contractor of such termination, effective fourteen (14) days following receipt of same, provided Contractor shall be provided a reasonable time within which to remedy such deficiencies in a manner meaningful to County's and City's application for the competitive award sought. Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed prior to the effective date of such termination. In the event only one of the County or City terminates their obligations under the Agreement with the Contractor, the Agreement may continue with the non-terminating parties, with the County or City still only responsible for their independent obligations described in this Agreement.

B. Termination for Convenience. County and City shall each independently have the right to terminate this Agreement or may together terminate this Agreement upon thirty (30) days' written notice. Upon receipt of a termination notice from both the County and City, Contractor shall not incur any new obligations and shall cancel as many outstanding obligations as reasonably possible. In such event, County's and City's individual maximum liability shall be limited to payment of respective shares of compensation for satisfactory work completed by Contractor prior to the effective date of such termination. In the event only one of the County or City terminates their obligations under the Agreement with the Contractor, the Agreement may continue with the non-terminating parties, with the County or City still only responsible for their independent obligations described in this Agreement.

C. Reduction in Funds. It is understood that funding may cease or be reduced at any time. In the event that adequate funds are not available to meet the obligations hereunder, County and City hereto reserve the right to terminate their obligations under this Agreement upon thirty (30) days' written notice. In such event, County's and City's individual maximum liability shall be limited to payment of respective shares of compensation for satisfactory work completed by Contractor prior to the effective date of such termination.

11. Hold Harmless. Contractor shall indemnify City and County, and their respective elected and appointed officials, officers, managers, members, employees, and agents, against any and all loss or damage to the extent such loss and/or damage arises out of Contractor's negligence and/or willful, wanton, or reckless conduct in the provision of goods and equipment or performance of services under this Agreement. This indemnification shall not be affected by other portions of the Agreement relating to insurance requirements.

Certificate shall be provided with bid/proposal submittals. Certificate shall remain in force during the duration of the project/services and will not be canceled, reduced, modified, limited, or restricted until thirty (30) days after both County and City receive written notice of such change. All insurance must be with an insurance company with a minimum BEST rating of A- and licensed to do business in the State of Kansas. It is the responsibility of Contractor to require that any and all approved subcontractors meet the minimum insurance requirements. Contractor shall obtain the above referenced certificate(s) of insurance, and in accordance with this Agreement, provide copies of such certificates to County and City.

County and City reserve the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances. Such modifications shall be done through joint approval of County and City.

13. Entire Agreement. This Agreement and the documents incorporated herein contain all the terms and conditions agreed upon by all Parties. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the Parties hereto. Any agreement not contained herein shall not be binding on Parties hereto, nor shall it be of any force or effect.

14. Assignment and Subcontracting. Notwithstanding any other provision of this Agreement, Contractor warrants that it shall not transfer, pledge, or otherwise assign this Agreement, or any interest therein, or any claim arising thereunder, to any party or parties. None of the Contractor's duties under this Agreement may be delegated to or subcontracted to any persons without the express written permission of City and County. All approved subcontracts must conform to applicable requirements set forth in this Agreement and in its appendices, exhibits, and amendments, if any. In addition, consistent with state law, Contractor shall not give preferential treatment to nor discriminate against subcontractors on the basis of environmental, social, or governance ("ESG") criteria.

15. Third Party Rights. It is specifically agreed between Parties that they do not intend by any of the provisions of this Agreement to create in the public or any member thereof the status of a third-party beneficiary hereunder, or to authorize anyone not a party to this Agreement to maintain a suit for damages pursuant to the terms or provisions of this Agreement.

16. Amendments. Neither this Agreement nor any rights or obligations created by it shall be amended by any Party without the prior written consent of the other two. Any attempted amendment without such consent shall be null and void.

17. Severability Clause. In the event that any provision of this Agreement is held to be unenforceable, the remaining provisions shall continue in full force and effect.

18. Waiver. The failure of Parties to enforce, at any time, the provisions of this Agreement or to exercise any option which may be provided herein shall not be construed as a waiver of such provisions nor to affect the validity of this Agreement nor any part thereof, nor the right of Parties to enforce thereafter each and every provision and to exercise any such option. No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies available under this Agreement shall be taken and construed as cumulative, that is, as being in addition to every other remedy provided by operation of law.

19. Force Majeure. Contractor shall not be held liable if the failure to perform under this Agreement arises out of causes beyond the control of Contractor. Causes may include, but are not limited to, acts of nature, fires, tornadoes, pandemics, quarantine, strikes other than by Contractor's employees, and freight embargoes.

20. Order of Preference. Any conflict to the provisions of this Agreement and the documents incorporated by reference shall be determined by the following priority order:

- a. Sedgwick County and City of Wichita's Mandatory Contractual Provisions Attachment (Appendix A)
- b. Sedgwick County and City of Wichita's Mandatory Independent Contractor Provisions Addendum (Appendix B)
- c. Written modifications and addenda to the executed Agreement
- d. This Agreement document
- e. County [Keywords] RFP #XX-XXXX and any addendums (Appendix C)
- f. Contractor's written response to County RFP #XX-XXXX [Keywords] (Appendix D)

21. Environmental Protection. Contractor shall abide by all federal, state, and local laws, rules, and regulations regarding the protection of the environment. Contractor shall report any violations to the applicable governmental agency. A violation of applicable laws, rules, or regulations may result in termination of this Agreement for cause.

22. Nondiscrimination and Workplace Safety. Contractor agrees to abide by all federal, state, and local laws, rules, and regulations prohibiting discrimination in employment and controlling workplace safety. Any violation of applicable laws, rules, or regulations may result in termination of this Agreement for cause.

All data, forms, procedures, software, manuals, system descriptions, and work flows developed or accumulated by Contractor in relation to this Agreement shall be jointly owned by County and City and shall be handed over and/or returned to County and City upon the expiration or termination of this Agreement. Contractors shall not release any such materials without written approval of both the County and City.

25. Intellectual Property Rights. As applicable, all original software, software code, and/or intellectual property developed or created by County or City in relation to this Agreement shall remain the sole property of the original creator (County or City accordingly). Contractor shall surrender all such original written materials, including, but not limited to, any reports, studies, designs, drawings, specifications, notes, documents, software and documentation, computer-based training modules, electronically or magnetically recorded material, and any and all intellectual property created by County or City to respective intellectual property holder upon the expiration or termination of this Agreement.

26. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, it is agreed that the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one Party by reason of the rule of construction that a document is to be construed more strictly against the Party who itself or through its agent prepared the same, it being agreed that the agents of all Parties have participated in the preparation hereof.

27. Counterparts; Signatures. This Agreement (and any amendments, modifications, or waivers in respect hereof) may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same document. Facsimile signatures or signatures emailed in portable document format (PDF) shall be acceptable and deemed binding on all Parties hereto as if they were originals.

2. **Choice of Law:** This Agreement shall be interpreted under and governed by the laws of the State of Kansas. Parties agree that any dispute or cause of action that arises in connection with this Agreement will be brought before a court of competent jurisdiction in Sedgwick County, Kansas.
3. **Termination Due To Lack of Funding Appropriation:**
 - a. If, in the judgment of the County's Chief Financial Officer, sufficient funds are not appropriated to continue the function performed in this Agreement and for the payment of the charges hereunder, County may terminate this Agreement at the end of its current fiscal year. County agrees to give written notice of termination to Contractor and City at least thirty (30) days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided for in the Agreement, except that such notice shall not be required prior to ninety (90) days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided to County under the Agreement. County will pay to Contractor all regular contractual payments incurred by County through the end of such fiscal year, plus contractual charges incidental to the return of any related equipment. Upon termination of the Agreement by County, title to any such equipment provided by Contractor to County shall revert to Contractor at the end of County's current fiscal year. The termination of the Agreement pursuant to this paragraph shall not cause any penalty to be charged to the County, City, or the Contractor.
 - b. If, in the judgment of the City's Director of Finance, sufficient funds are not appropriated to continue the function performed in this Agreement and for the payment of the charges hereunder, City may terminate this Agreement at the end of its current fiscal year. City agrees to give written notice of termination to Contractor and County at least thirty (30) days prior to the end of its current fiscal year and shall give such notice for a greater period prior to the end of such fiscal year as may be provided for in the Agreement, except that such notice shall not be required prior to ninety (90) days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided to City under the Agreement. City will pay to Contractor all regular contractual payments incurred by City through the end of such fiscal year, plus contractual charges incidental to the return of any related equipment. Upon the effective termination of the Agreement by City, title to any such equipment provided by Contractor to City shall revert to Contractor. The termination of the Agreement pursuant to this paragraph shall not cause any penalty to be charged to the City, County, or the Contractor.
 - c. In the event of termination of the agreement by County or City pursuant to this Section of Appendix A, the other Party's obligation to Contractor shall be limited to such Party's respective share for services already rendered by Contractor.
4. **Disclaimer of Liability:** Neither County nor City shall hold harmless or indemnify any contractor beyond that liability incurred under the Kansas Tort Claims Act (K.S.A. 75-6101 *et seq.*). City and County specifically reserve, in their individual capacity, and do not intend to waive any and all defenses, limitations of liability or damages, and/or immunities available to it under the Kansas Tort Claims Act or other state or federal law. It is understood that the duty to indemnify or hold harmless includes the duty to defend. This indemnification and hold harmless clause shall apply whether or not insurance policies shall have been determined to be applicable to any of such damages or claims for damages. In no event shall any Party be obligated to indemnify the others on account of the negligence or willful misconduct of the Party seeking indemnity or any agent or employee thereof.
5. **Acceptance of Agreement:** This Agreement shall not be considered accepted, approved, or otherwise effective until the statutorily required approvals and certifications have been given.
6. **Arbitration, Damages, Jury Trial and Warranties:** Notwithstanding any language to the contrary, no interpretation shall be allowed to find that County or City, jointly or in their individual capacities, have agreed to binding arbitration, or the payment of damages or penalties upon the occurrence of a contingency. Notwithstanding any language to the contrary, no interpretation shall be allowed to find that County or City, jointly or in their individual capacities, have consented to a jury trial to resolve any disputes that may arise hereunder. Contractor waives its right to a jury trial to resolve any disputes that may arise hereunder. No provision of any Agreement and/or this Contractual Provisions Attachment will be given effect which attempts to exclude, modify, disclaim, or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.
7. **Representative's Authority to Contract:** By signing this Agreement, the representative of the Contractor thereby represents that such person is duly authorized by the Contractor to execute this Agreement on behalf of the Contractor and that the Contractor agrees to be bound by the provisions thereof.

8. **Federal, State, and Local Taxes:** Unless otherwise specified, the proposal price shall include all applicable federal, state, and local taxes. Contractor shall pay all taxes lawfully imposed on it with respect to any product or service delivered in accordance with this Agreement. County and City are both exempt from state sales or use taxes and federal excise taxes for direct purchases. These taxes shall not be included in the Agreement. Upon request, County and City shall provide to the Contractor a certificate of tax exemption.

Neither County nor City make any representation as to the exemption from liability of any tax imposed by any governmental entity on the Contractor.

9. **Insurance:** Neither County nor City shall not be required to purchase any insurance against loss or damage to any personal property to which this Agreement relates, nor shall this Agreement require County or City to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 *et seq.*), Contractor shall bear the risk of any loss or damage to any personal property to which Contractor holds title.
10. **Conflict of Interest:** Contractor shall not knowingly employ, during the period of this Agreement or any extensions to it, any professional personnel who are also in the employ of County or City and providing services involving this Agreement or services similar in nature to the scope of this Agreement to the County and City. Furthermore, Contractor shall not knowingly employ, during the period of this Agreement or any extensions to it, any County or City employee who has participated in the making of this Agreement until at least two years after his/her termination of employment with the County or City respectively.
11. **Confidentiality.** City, County, and Contractor, to the extent applicable, must comply with all the requirements of the Kansas Open Records Act (K.S.A. 45-215 *et seq.*) in providing services and/or goods under this Agreement and the production of records. In addition, Contractor may have access to private or confidential data maintained by County or City to the extent necessary to carry out its responsibilities under this Agreement and shall maintain such information securely and confidentially. Contractor shall accept full responsibility for providing adequate supervision and training to its agents and employees to ensure compliance with applicable laws. No private or confidential data collected, maintained, or used in the course of performance of this Agreement shall be disseminated by any of the Parties except as authorized by statute, either during the period of the Agreement or thereafter. Contractor must agree to return any or all data furnished by County and City promptly at the request of County or City respectively in whatever form it is maintained by Contractor. Upon the termination or expiration of this Agreement, Contractor shall not use any of such data or any material derived from the data for any purpose and, where so instructed by County or City, shall destroy or render such data or material unreadable.
12. **Cash Basis and Budget Laws:** The right of County and the right of City to enter into this Agreement are subject to the provisions of the Cash Basis Law (K.S.A. 10-1112 and 10-1113), the Budget Law (K.S.A. 79-2935), and all other laws of the State of Kansas. This Agreement shall be construed and interpreted so as to ensure that both County and City shall at all times stay in conformity with such laws, and as a condition of this Agreement, both County and City reserve the right to unilaterally sever, modify, or terminate this Agreement at any time if, in the opinion of their respective legal counsel, the Agreement may be deemed to violate the terms of such laws.
13. **Anti-Discrimination Clause:** Contractor agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 *et seq.*), the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 *et seq.*), and the applicable provisions of the Americans with Disabilities Act (42 U.S.C. 12101 *et seq.*) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs and activities; (b) to include in all solicitations or advertisements for employees the phrase "equal opportunity employer;" (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if the Contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of contract and the Agreement may be cancelled, terminated, or suspended, in whole or in part, by County and City, without penalty thereto; and (f) if it is determined that the Contractor has violated applicable provisions of the ADA, such violation shall constitute a breach of the Agreement and the Agreement may be cancelled, terminated, or suspended, in whole or in part, by County and City, without penalty thereto.

Parties to this Agreement understand that the provisions of this paragraph 13 (with the exception of those provisions relating to the ADA) are not applicable to a contractor who employs fewer than four employees during the term of this Agreement or whose contracts with the County and City cumulatively total \$5,000 or less during the County's and City's fiscal year.

14. **Suspension/Debarment**: Contractor acknowledges that as part of the Code of Federal Regulations (2 C.F.R. Part 180) a person or entity that is debarred or suspended in the System for Award Management (SAM) shall be excluded from federal financial and nonfinancial assistance and benefits under federal programs and activities. All non-federal entities, including Sedgwick County and City of Wichita, must determine whether the Contractor has been excluded from the system and any federal funding received or to be received by County or City in relation to this Agreement prohibits County or City from contracting with any Contractor that has been so listed. In the event the Contractor is debarred or suspended under the SAM, the Contractor shall notify both County and City in writing of such determination within five (5) business days as set forth in the Notice provision of this Agreement. County and City shall have the right, in their sole discretion, to declare the Agreement terminated for breach upon receipt of the written notice.
